Project Title: East Campus Loop Road

Project Applicant: University of California San Diego

Parties Undertaking Project: University of California, San Diego

Project Location: La Jolla East Campus; Medical Center Drive and Health Sciences Drive intersection.

County: San Diego

Project Description: The East Campus Loop Road Project would realign and widen Medical Center Drive and Health Sciences Drive. The new loop road will be the main access for the East Campus Health Sciences Neighborhood. The project improves wayfinding for patients, visitors, and emergency vehicles, from both the Genesee Avenue/I-5 and Regents Road/I-805 access points. The realigned roadways would provide vehicular traffic lanes in both directions and include Class II buffered bicycle lanes, sidewalks and landscaping. Key intersections would be signalized to manage traffic flows.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *March 21, 2024* and has made the following determinations:

2. Addendum #10 (Viterbi Family Vision Research Center and East Campus Loop Road Projects) to the 2018 LRDP EIR was prepared for this project pursuant to the provisions of CEQA.
3. Relevant mitigation measures from the 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP EIR's Mitigation Monitoring and Reporting Program.
5. A Statement of Overriding Consideration was not adopted for this project.
5. Findings were made pursuant to the provisions of CEQA.
